

The image shows an energy label for a window. At the top left is the European Union flag. To its right, the word "ENERG" is written in large letters, with "енергия · ενεργεια" below it. Further right are four circular icons containing the letters Y, IJA, IE, and IA. Below this, the brand name "MORA" and the model "EOMKS120PHSM" are displayed. A tap icon with an "L" indicates low noise emission. A vertical scale of energy classes from A (green) to G (red) is shown, with a black arrow pointing to class C. A box on the left shows a speaker icon and "15 dB". A larger box on the right shows "2554 kWh/annum". At the bottom, the year "2015" and the standard "812/2013" are listed, along with the number "560480" on the right side.
